

CORPORATE SOCIAL RESPONSIBILITY POLICY

The Directors of RISC Security are committed to ensuring their corporate social responsibilities are understood and wherever possible incorporated into routine working practice. Any areas where employees or stakeholders feel we are impacting in a negative manner or failing to act in a responsible way should be brought to the attention of the Managing Director.

The following diagram provides a visual aid to communicating the policy

Our Managing Director takes full responsibility for ensuring this policy is achieved and any non conformity must be reported to him as soon as possible
